

Creating and Monitoring Export Value Acceptance Certificates is Easy with Ziraat!

For your exports, for which a customs declaration has been made and the cost of which has been sent to our Bank, you can instantly create Export Value Acceptance Certificates and also easily access them via our Internet Branch.

Specifications:

- Corporate Internet Branch customers can benefit.
- Certificates can be created in USD, EUR and GBP.
- Certificates are created for the customs declarations that do not exceed 180 days.
- Pursuant to the provisions of the Export Circular, foreign exchange sales are carried out automatically at the minimum rate determined by the Central Bank.
- Certificates can be created between 10.00 – 15.59 on weekdays, since the exchange rates announced by the Central Bank at 10.00, 11.00, 12.00, 13.00, 14.00 and 15.00 are used.

If you want to create certificates for exceptional transactions that do not have the above features, you can apply to our branches.
